- Examples of past ads are on display in the studio. If you want to use this year's dance photo, just make a note when turning in ad. We get the photo's being used directly from the photographer!!! Do not wait on photos to turn in the ads. The photographer has them on disc!!!
- If you would like to use an old dance picture or non dance pictures, please scan them and bring them in on a CD/flash drive. Remember the better quality of the picture the better quality of the ad. We would still need all text you would like to include in your ad. **Please submit all text on the back of this sheet or on your CD/flash drive.**
- For those of you who want to design their own ads: Ads must be a PDF file as 300dpi or High Resolution File. A paper copy of the ad must be submitted along with the ad order form. Each ad must be on a separate disk/flash drive the same day as your paperwork is turned in.
- Do not wait until the last minute to submit your ads. **We can be more creative and do a better job of proof reading when we have adequate time to process the ads.**
- Don't be left out! Our program provides a special memory for everyone who has an ad. Each family will receive a program book as part of their Dance Concert Package.
- All ads will be approved by parent via email or in person. It is the parent's reasonability to double check spelling and content of their ad.

Please use the back of the page to describe or draw how you want your ad to read. PLEASE PRINT. Business cards and photographs should be scanned and sent on disc. Please attach with paper clip in an envelope labeled with the Ad name and contact information. We thank you for your support!
